

SAMA/SVFB NEWS No. 11-3, August 2011

Dear SVFB/SAMA Members,

We have updated the **NEWS/NACHRICHTEN** on the **SVFB/ASEA/SAMA** homepage with the following items: <http://www.svfb.ch/1.html>

- 1) Update on our homepage for our members and all interested parties with **active NPA's** concerning SAMA members where either :
 - **SAMA need feedback**
 - **or has forwarded our position to EASA**The **new menu point** where you will find all **EASA Notice of Proposed Amendments (NPA's) Comment and Response Documents (CRD's) : EASA**, all such information is moved from Nachrichten/News to the Menu **EASA**
- 2) All other **NEWS** will be placed under the Menu Nachrichten/News like up to now
- 3) All information **older than 6 month** is moved from time to time into Menu "Dokumente" which is renamed "**ARCHIV**".
- 4) **Thursday 25. August 2011, Dübendorf ,Überlandstrasse 255, "Fliegermuseum" Air Force Centre, a date to note in your calendar, door opening at 17:30.**

An important public discussion will take place on August 28th in Dübendorf, addressing the future development of this airport. All interested in Business or General Aviation in the region of Zürich should take part in this important public hearing.
More information is here (German):

- 5) **110301_Bilateral Agreement EU-USA**

NEW: If your company has a business place in the EC, you may be interested to participate in a dedicated seminar taking place in Cologne 29. August 2011 or London Gatwick 2. September 2011. Here are all details: http://easa.europa.eu/events/events.php?startdate=29-08-2011&page=Workshop_on_the_Implementation_of_Annex_2_%28Maintenance%29_to_the_BA_SA_between_USA_and_EU
The EU has made an agreement with the USA. Basically, it should simplify reciprocal approvals. Here are some links for deeper explanations' by **aviation today**:

FOCA is working hard on a similar CH-USA agreement, see under **NEWS** on the homepage.
- 6) **S_ Licence agenda**

The final meeting is planned on 23. August and board decision of SAMA on September 7th.
Update will follow until 15. September.
- 7) **110420_SVFB_Ausb_Förderungv04.**

Proposal to the "Commission for Education and Research" (KBF) is on the homepage News May 6 under 110420_svfb_kbf_support.
The next meeting of the KBF on 10. August should update us about the progress.

Sincerely,

Franz Meier
